Applicant's description of why a variance from the terms of these provisions is needed: _____

The Board of Adjustment, after having held a public hearing to consider the variance request, will address each of the following findings of fact and draw the following conclusions in order to render their decision:

1. Unnecessary hardship would result from the strict application of the ordinance. (NOTE: It shall not be necessary to demonstrate that, in the absence of the variance, no reasonable use can be made of the property.);
2. The hardship results from the conditions that are peculiar to the property, such as location, size or topography. (NOTE: Hardships resulting from personal circumstances, as well as hardships resulting from conditions that are common to the neighborhood or the general public, may not be the basis for granting a variance.);
3. The hardship did not result from actions taken by the applicant or the property owner. (NOTE: The act of purchasing property with knowledge that circumstances exist that may justify the granting of a variance shall not be regarded as a self-created hardship); and,
4. The requested variance is consistent with the spirit, purpose and intent of the ordinance such that public safety is secured and substantial justice is achieved.

The applicant is asked to address each of these findings as they pertain to their variance request. Please use additional sheets if necessary. In order to grant a variance, each of the findings must be found in the affirmative by the Board of Adjustment by a 4/5 majority of the Board's membership.
